Progress Reports will be posted to the grade books on April 22, please use this time to get caught up on any overdue lessons. If you filled out the extra credit survey for Mrs. Sulman I will be applying this extra credit to your lowest subject the week before progress reports.

4/15 M-F 9:30 Live class will open to all students in the Hive

As of 4/15 M/T in Live Class will be open to all students and there will not be a sign up for the Novel Study. If you are in class those days participation is expected. I have attached the slides that we will be using for the Novel study.

Novel Study: Tornado

This will start in Live Class on 4/15. Tornado will run for 7 weeks and have a series of small assignments attached to it. You can find a PDF of the book linked on our class website.

Math: We will continue with the Project Based Learning activities through the remainder of the school year. These will all be worth 20 points each. Please help support your child with these hands on learning activities. Attached you will find the adjusting a recipe project. Please help your child find a simple family recipe they can work with in class for the next few weeks.

Fraction Resources: I.

- **Frax:** You will log into Clever, then go into Explore Learning, then Frax. Have your child spend 20-30 minutes twice a week working in Frax.
- Virtual Calming Room: <https://virtualcalmingroom.net/>
- Attached you will find fraction vocabulary flashcards

Hearts Around the World: We will be sending a letter to space:

If you would like to participate in the postcard that we will be sending to space please send me a webmail with 50 words or less about your vision of life on space **no later than March 25th.** This is a hard deadline and letters will not be accepted after this date.

Lit Study Cycle 5 (The Hive) Starts March 11- Slide deck and reading is attached to this webmail

Passion Project Cycle 3 (Honey & Bumble Bee's) Starts April 17
